In order to protect the integrity of the Society's collection, photograph reproductions are not available on CD, flash drive or via email. All photographs are copyrighted by the Webb City Area Genealogical Society and cannot be reproduced by the purchaser. By signing this form the purchaser agrees to the Conditions of Reproductions and Copyright Restrictions listed on the following page.

Conditions for Reproduction

The right to reproduce materials held in the Webb City Area Genealogical Society is granted on a one-time basis only. Any further reproduction of these materials is prohibited without the express written permission.

Materials are reproduced for research use only and may not be altered in any way or used in publication, exhibition, or any other public purpose without the express written consent of the Webb City Area Genealogical Society.

Any publication, exhibition, or other public use of materials reproduced from the collections must credit the Webb City Area Genealogical Society using the credit line: Webb City Area Genealogical Society.

In requesting permission to reproduce materials from the collections of the Webb City Area Genealogical Society as described, the requester agrees to hold harmless the Webb City Area Genealogical Society and its Trustees, Officers, and agents either jointly or severally from any action involving infringements of the rights of any person or their heirs and descendants in common law or under statutory copyright.

Permission to reproduce material in which reproduction rights are reserved must be granted by signed written permission of the persons holding those rights.

Consideration of the requirements of copyrights is the responsibility of the author, producer, and publisher. Applicants assume all responsibility for questions of copyright and invasion of privacy that may arise in copying and using the materials.

Conditions governing the use of reproductions provided by the Webb City Area Genealogical Society will be specified in the written contractual agreements generated by the Society for commercial uses. Rights granted by the Society are valid only upon the Society's receipt of the signed agreement and payment of the amount specified in the agreement.

One copy of any publication/project utilizing licensed materials shall be donated to the Webb City Area Genealogical Society. In the case of film, a video copy is acceptable. The donation is requested, but not required, for small personal publishing projects. The Webb City Area Genealogical Society must be notified with the URL address of all websites uses and notified of all URL address changes.

Copyright Restrictions

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies and other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish reproductions. One of these specified conditions is that the photocopy or reproduction is not to be used "for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

The Webb City Area Genealogical Society reserves the right to charge additional fees depending upon the requested usage. All fees are subject to change.

This is not an invoice. An order estimate will be produced within three to five business days. Once the final order is processed, an invoice will be issued. Payment must be received prior to printing.
